### **January Business of the Month Announced**

The St. James Chamber of Commerce would like to congratulate Wild West Guns & More as January "Business of the Month".

In 2007, Stewart and Jennie Pope, along with her father, Les Clancy, established a partnership at the pawn shop located at 100 North Jefferson. While continuing to improve the business, they have focused on accommodating the demands of a struggling economy.

Guns, rifles, shotguns, pistols, revolvers, ammunition, and accessories of all types are prominently displayed and are available for purchase in their gun department. One of Wild West's most popular services is special orders of guns at reasonable prices. As a FFL (Federal Firearms License) dealer, they also assist customers with transfers, and are a shipping destination for private gun owners who purchase out-of-state.

Pawning has been completely eliminated from the shop; however, a myriad of items in good condition are purchased and resold. Scrap gold and silver are also purchased from customers. Popular merchandise includes tools, toys, antiques, movies, games, musical instruments, fishing equipment, and lots "More!" Loyal customers from the St. James area, as well as nearby communities, drop by to patronize the shop, selling items they no longer need, or purchasing new and good used items which suit their needs.

"We truly appreciate everyone that has done business, traded, or purchased from us since we opened here," stated Les. "We plan to reach out for new opportunities in the coming new year and hope you continue to support all of your local businesses! We wish each and everyone of you a prosperous, healthy and happy 2012!"

The Chamber will host a coffee in honor of Wild West Guns & More at its location at 100 North Jefferson, on Friday, January 20, at 4:00 p.m. Please mark your calendar and plan to attend, showing your support to Wild West Guns & More for their many contributions to the community. Refreshments will be served.
