PRESS RELEASE

Ground Breaking & Ribbon Cutting Ceremony

The St. James Chamber of Commerce invite the community to the official ground breaking and ribbon cutting of Community Bank of St. James on Thursday, December 22, 2011 at 10:00am. Bank employees and community members will be in attendance at the ceremony to support the beginning of construction at 825 North Jefferson Street in St. James.

“At The Maries County Bank, we believe that our community is our future”, said Tim Seams, Branch President. “The construction of Community Bank of St. James will allow us to better serve this area through our products, services and our community involvement. We are excited about the opportunity and thank everyone for their support.”

The Community Bank of St. James opened the doors of its modular facility on October 24, 2011. It is a full service banking facility that offers a wide variety of loan and deposit products for all ages and needs. Community Bank of St. James is a branch of The Maries County Bank. The Maries County Bank has branches in Vienna, Argyle, Belle, Dixon, Owensville, St. James, and Vichy. It is an FDIC Insured institution with a history reaching back over 110 years.
